Statistical Report Survey

Recently you were sent an outline of the proposed statistical reporting form and summary of information. This year we have restructured the statistical report in a way that we hope is more meaningful to you. However, we need your feedback! If you have not already done so, please respond with your comments on the new format to the CBA office no later than May 23, 2003.

Search for a Logo

As you may recall, CBA is in search of a logo. We encourage your participation in this project and request that you submit your ideas to the CBA office by August 1. Please feel free to contact the office with any questions regarding logo submission.

Annual Meeting Update

Mark your calendars for the 2003 Annual Meeting to be held December 2-4 in Fort Lauderdale, Florida. The Planning Committee has been working hard to ensure a successful meeting and they're off to a great start. Look for registration information in September.

Future E-Bulletins

CBA is always trying to find new ways to keep our members informed of events happening in the Association as well as the industry. We welcome any contributions you may have. Please contact the CBA office (cba@ahint.com) with any information you would like to contribute to future e-bulletins.
